One time, one time

Alright

Here we go

Two times

One time for your mind

Your body and soul

Everytime that I rhyme

You know I'm in control

Alright

Here we go

Here we go

Here we go

And we've been here for so many years

Still it seems if your not there

(Are you there)

Everytime I talk

You turn away

(Do you care)

Isn't dad an obligation to care

And we sing

And we've been here for so many years

So many years still it seems

So why you so complicated

(Yeah)

Your overrated

(Well alright)

Your complicated

This feelin is love

Well I came through the door

I said it before

I never let the stress get me down no more

giving thanks to the lord

and I pray everyday

Giving shots to my peeps

And this is what we say

And we've been here for so many years

So many years

still it seems

Your So complicated

(Yeah)

overrated

(Well alright)

complicated

But this feelin is love

You got your one little room

With a black and white TV

You got your one single bed  
And you dont wanna sleep  
Your living all alone  
Your like a dog without a bone  
Your living all alone  
'Cuz you left us all at home  
Well you had a second chance  
But you threw it all away  
a fourth and fifth and sixth  
Now that was yesterday  
Now your sitting at a bar  
Just a drowning in your tears  
All lonely in the corner  
While everybody cheers  
And we said  
And we've been here for so many years  
So many years  
Still it seems  
So complicated  
(Yeah)  
Overrated  
(Well alright)  
Compicated  
This feeling is love  
Well six dollars in your pocket  
Well one's a secret stash

Three's for alcohol

And two's for cigarettes

Alright
