Well all these games you play  
You're messin with my head  
[You're messin with my head]

And I don't why I'll stay  
I should leave instead  
[I should leave instead]

When I speak from my heart  
You laugh like it's a game  
[Well this ain't no game]

Yeah, we make great friends  
But it just isn't the same  
Ohhhhh

And I know  
This is not the way it should be  
And I know you treat him like me  
[Badoobie-dooie-dooie-doo]  
But I don't wanna stop

[CHORUS]  
Don't wanna stop  
Don't wanna stop  
Don't wanna stop  
I don't wanna stop

Don't wanna stop  
Don't wanna stop  
Don't wanna stop

And I don't need you to buy me pretty things  
[You don't pay for me]  
Pay for my tatoos or buy me diamond rings  
[I don't want those things]

All I know is that I'm happy to smile  
[I wanna see you smile]  
And it'd make my day if you'd just stay for a while

[CHORUS]

And I know

This is not the way it should be

And I know you treat him like me

[Badoobie-doobie-doobie-doo]

But I don't wanna stop

Don't wanna stop

Don't wanna stop

Don't wanna stop

I don't wanna stop

Don't wanna stop

Don't wanna stop

Don't wanna stop

I don't wanna stop

Don't wanna stop

Don't wanna stop

Don't wanna stop

I never wanna stop

Don't wanna stop

Don't wanna stop

Don't wanna stop

I never wanna stop
