Walkin on the streets of DC, on the East Coast where I  
live

You say what's the problem, what's with this angry kid?

You don't like the way I walk, or the way I talk, or the  
way I swing my hands

You don't like the words I speak or the thoughts I think

And I know you'll never understand

You know-on the East Coast we ride until we die

You know, oh oh oh

Well there's a place inside my mind, yeah a place you'll  
never find

There's a place inside my mind walk this way

You know

Wouldn't it be perfect, if I could sit with you?

And we would change a thing or two, we'd change a  
thing or two

We would change the way you think, we would change  
the way I think

We can't change the way they think so we're not  
changin anything

You know-on the East Coast we ride until we die

You know, oh oh oh

Well there's a place inside my mind, yeah a place you'll  
never find

There's a place inside my mind we'll leave today

You know

'Cause on the East Coast we ride, until the day we die

There's a place inside my mind, yeah a place you'll  
never find

There's a place inside my mind walk this way

There's a place inside my mind, yeah a place you'll  
never find

There's a place inside my mind we'll leave today

You Know
