"Hear You Me"

this song is by Jimmy Eat World and it is on their Bleed American Album...

there's no one in town i know

you gave us someplace to go

i never said thank you for that

thought i might get one more chance

what would you think of me now?

so lucky

so strong

so proud

never said thank you for that

now i'll never have a chance

if you were with me tonight

i'd sing to you just one more time

a song for heart so big god wouldn't let it live

may angels lead you in

hear you me my friend

on sleepless roads sleepless go

may angels lead you in
