If you leave

Don't leave now

Please don't take my heart away

Promise me,

Just one more night

Then we'll go our separate ways

We always had,

Time on our side

Now it's fading fast

Every second

Every moment

We've got to,

We've gotta make it last!

I'll touch you once

I'll touch you twice

I won't let go at any price

I need you now

Like I needed you then

You always said we'd still be friends someday

If you leave

I won't cry

I won't waste a single day

But if you leave

Nooo, don't look back

I'll be running the other way

Seven years

Went under the bridge

Time was standing stilllll

Heaven knows

What happens now

You got to,

You gotta say you will

I'll touch you once

I'll touch you twice

I won't let go at any price

I need you now

Like I needed you then

You always said we'd still be friends

I'll touch you once

I'll touch you twice

I won't let go at any price

I need you now

Like I needed you then

You always said we'd still be friends

Someday! (2x's)

Oh if you leave (2x's)

If you leavvee
