If you leave, don't leave now.
Please dont take my heart away.
Promise me, just one more night.
Then we'll go our separate ways
We always had time on our side
Now its fading fast
Every second, every moment
We've got to, we've got to make it last.
I'll touch you once, I'll touch you twice
I wont let go, at any price
I need you now, like I needed you then.
You always said we would still be friends.
Someday.
If you leave, I wont cry
I wont waste a single day
But if u leave, no don't look back
I'll be running the other way.
Seven years, went under the bridge.
Time was standing still
Heaven knows what happens now.
You've got, you've got to say you will.

I'll touch you once, I'll touch you twice.

I won't let go, at any price.

I need you now, like I needed you then.

You always said we'd still be friends.

I'll touch you once, I'll touch you twice.

I won't let go, at any price.

I need you now, like I needed you then.

You always said we would still be friends.

Someday.. Someday..

Oh if you leave, oh if you leave..

If you leave
