Yeah this song is dedicated to every kid who ever got  
picked last in gym class

(This is Good Carlotte)

This is for you to every kid who never had a date to no  
school dance

(Yeah 1999, 2000 eternal)

This is for you to everyone who's ever been called a  
freak

(Ya know what I'm saying, Now Come with me)

This is for you

Here we

What

Here we go

(Come with me)

What

Yeah

What

What

Ya'll know what I'm talking about

What

Yeah

Ya'll know what I'm saying

Ohhhh oh oh oh oh

Come on

Ohhhh oh oh oh oh

Let's do this

Ohhhh oh oh oh oh

Ohhhh oh oh oh oh

Where my people at?

Here we go

Like the time in school when we got free lunch and the  
cool kids beat us up

(Reduced Lunch)

And the rich kids had convertibles and we had to ride  
the bus

(55)

Like the time we made the baseball team but they still  
laughed at us

(You still suck)

Like the time that girl broke up with me 'cuz i wasn't  
cool enough

Trick

Things

(Come on)

Things

(Let's go...Here we go)

The little things little things they always hang around

The little things little things they try to break me down

The little things little things they just won't go away

The little things little things make me who i am today

Go

You wanna hate me now

But i won't stop now 'cuz i can't stop now

Why

Come on

Why now?

Here we go

Like the time mom went to that institute cuz she was  
breaking down

(I just can't take it)

Like the car we had that wouldn't start we had to walk  
to get around

(Can I get a ride?)

And that same year on Christmas Eve dad went to the  
store

(I'll see you guys later)

We checked his room his things were gone we didn't  
see him no more

(Dick)

Things

Things

Here we go

The little things little things they always hang around

The little things little things they try to break me down

The little things little things they just won't go away

The little things little things make me who i am today  
go

You wanna hate me now

But i won't stop now 'cuz i can't stop now

What

What

What

Go

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Little things

Ohhhh oh oh oh oh

Ohhhh oh oh oh oh

Ohhhh oh oh oh oh

Ohhhh oh oh oh oh

Here we go

And it always seems those little things they take the  
biggest part of me

It always seems those little things they take the biggest  
part of me

It always seems those little things they take the biggest  
part of me

And i know that those little things they make the  
biggest part of me break down

I'm breaking down

Break down

(Good Charlotte 1999)

Gotta maintain

(2000 eternal
