Spend your lazy, endless crazy

Days inside my head.

You're so selfish, you're not the only

One who thinks he's dead.

I'm paid to smile, now I'm on trial

For what you think I said.

Cuz I never said that everything would be okay,

And I never said that we would live to see another day.

CHORUS

Motivate me

I wanna get myself outta this bed.

Captivate me

I want good thoughts inside of my head.

When I fall down would you come around

Pick me right up off the ground?

I'm un-realistic, un-artistic

You say I'm selfish and absurd.

You try to change me,

You try to save me,

You say I'm gonna learn.

I'm so blind, I'm out of time,

You're so unkind sometimes.

I never lied, I never lied, I never lied....

Cuz I never said that everything would be ok,

I never said that we would live to see another day...

CHORUS
