Communication isn't hard when the wind can't speak

Yelling mercy to the poor and forgiveness to the weak
forever

I can't speak

A penny saved is a penny earned, when the life that
you spent was a leaf that overturned

Don't forget to buckle when you fall beneath the
pressure of the seconds when your life became a
screamer

Staring at the sea things become so small

Photo pages turn the pictures on my wall

Why is life such an issue when you're mine

Why are the answers to my problems hard to find...so
hard to find

I'm dreaming at a dreamer while you're screaming at a
screamer

Take out the light, take out the light and start
screaming
