Spend your lazy endless crazy days inside my head
Your so selfish Your not the

only one who thinks he dead I'm paid to smile Now I'm
on trial for what you

think I

said But I never said that everything would be okay And
I never said that we

would live to see another day

Motivate me I want to get myself out of this bed
Captivate me I want good

thoughts inside my head If I fall down would you come
around and pick me right

up

off the ground, If I fall down would you come around
and pick me right up off

the ground,

I'm unrealistic, I'm unartistic,

You say I'm selfish and absurd,

You try to change me, You try save me, you say I'm
going to learn, I'm so blind,

I'm out of time, you're so unkind sometimes,

I never lied, I never lied, I never lied, Cause I never said
that everything

would be

okay, and I never said we would live to see another day

Motivate me I want to get myself out of this bed
Captivate me I want good

thoughts inside my head If I fall down would you come
around and pick me right

up

off the ground, If I fall down would you come around
and pick me right up off

the ground,

Right off the ground, Pick me right off the ground,

Everything it'll be be okay, You know were going to live
to see another day

Yeah... Yeah... Yeah... Motivate me, Yeah... (I wanna get
myself out of this),

Motivate me, Yeah... (I wanna get myself out of this),
Motivate me Yeah... (I

wanna get myself out of this), Motivate me Yeah... (I
wanna get myself out of

this hell
