She makes me laugh

She'll make me cry

And when we talk

She wonders why

That I can't breathe into this life

With the things she says I wanna die

All the things we talk about you know they stay on my
mind

On my mind

All the things we laugh about they'll bring us through it
everytime

After time after time

Cuz you're all I wanted to find

Cuz you're all I wanted to find

And I would drive, the whole night through

Just so I could spend it with you

I know you're mine, and I hope it's true

That when we fight, we will make it through

All the things we talk about you know they stay on my
mind

On my mind

All the things we laugh about they'll bring us through it
everytime

After time after time

Cuz you're all I wanted to find

Cuz you're all I wanted to find

I'm falling, I'm falling, I'm falling down

I'm falling, I'm falling, I'm falling down

I'm falling, I'm falling, I'm falling down

I'm falling, I'm falling, I'm falling down

Down, down, down

Cuz you're all i wanted to find

Cuz you're all i wanted to find

Cuz you're all i wanted to find

Cuz you're all i wanted to find

Yes you're all, yes you're all I wanted
