[Chorus]

Tell me why they playa hate
Steady talkin down cause I'm playa made
Just because I'm playa made
Makin all ya hoes sing my serenade

[Double D]

Now tell me why you wanna hate me
Am I ur enemy playin close
Tryna take what you like most?
Or do I say the wrong things when we be chillin'
I got a funny feelin' you trippin' ova dat bitch dat we
was drillin'
I knew dat she would go my niggaz told me so
I got proof to show cause I was fuckin' dat hoe
And ain't no tellin' who else was knockin' boots when I
left
But I ain't worried about dat cause I got bitches and
wealth
You got the same theng you got the same game
Niggaz gotta maintain and let ya motherfuckin nuts
hang
You bringin plex like a thief in the night
Ova 5 dollar bitches now you know dat ain't riight

[Chorus] - repeat 2x

[Fat Pat]

They hatin us why they do us like dat
Because we players may take hoes and hold nothin
back
You lovin deez hoes I'm burnin off on my 4's
Sippin' my clo' just got head now you know
10 toes get up or conduct dis pimp
Wit the long-stroke ain't no hoe ya gal peep she's broke
By dis Texas playa who girls try to get me there
Look at dat girl starin' at me ova dere
Wit dat nigga
But I don't bare dem peepin'
Gon by pass my number and keep on creepin'
But she seekin'

I know when she cum
But from the looks of it she just love the way suga
daddy ball

[Chorus] - repeat 2x

[Fat Pat]

You shouldn't feel the way you feel about us players we
true

Dress code stay throwed in everytheng dat we do

Floss, ballin big mackin paper stackin at all times

All notes and I quote you'll go broke behind hoes

Eyes get froze when the big playa hit the scene

Rollin' and somethin you only thought about havin' up n
ya dreams

And it seems to be the lil' plex and animosity

And the baddest broad in the eva chose me the P.A.T.

But don't broke against me check the broad not the
pimp

That's the way I was raised but fuck dem hoes I'm all
about gettin' paid

They come a dime or dozen

While you was trippin' ova dat other broad I was knowin
down her cousin

And another and another

Phone line steady buzzin

Thought I wasn't the mack of the year now you wrong

If you dat crazy bout dat broad you betta keep her at
home

Cause she'll get gon when she hit my zone

It's on it's on

[Chorus] - repeat until the end
