Do You Realize - that happiness makes you cry

Do You Realize - that everyone you know someday will
die

And instead of saying all of your goodbyes - let them
know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning round

Do You Realize - Oh - Oh - Oh

Do You Realize - that everyone you know

Someday will die -

And instead of saying all of your goodbyes - let them
know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning round

Do You Realize - that you have the most beautiful face

Do You Realize
