"Needs"

Am I a poison, Am I a thorn in the side
Am I picture perfect subject tonight
I don't need nobody
I don't need the weight of words
To crash on thru
I don't need nobody
I just need to learn the depth
Or doubt of faith to fall into
Here I slumber to awaken my daze
I find convenience in this savior I save
Am I a prison, Am I a source of dire news
Am I a picture perfect reason for you
I don't need nobody
I don't need the weight of words
To crash on thru
I don't need nobody
I just need to learn the depth or doubt
Of faith to fall into
In this time of substitute
It's my needs I've answered to (All the while)
And the hope that I invest

Still turns to signals of distress (All the while)
