## Charmed Movie "Take A Look"

Like an accident on the side of the road

When you're driving past slow but there's nothing to see here

Wanna take a look, take a look

I'm some kind of freak now and

You'll never see me the same

What's all the fuss about?

Are you sure you wanna find out?

Cause once you know the truth

You might wish you'd walked away

Wanna take a look, take a look

What if I'm not able

To put my cards on the table?

And would it liberate you

If you knew what I knew?

It's been over a year now and

I never saw him again

The facts and the fiction

Collide as the bodies untangle

And the traffic moves on like it did

Wanna take a look, take a look
