Brandi:

There you are
Looking as fine as can be
In your fancy car
I can see you're looking at me
Whatcha wanna do?
Are you just going to sit there and stare
Baby talk to me
Tell me what's on you mind baby, Ohhh

Chorus:

Oh Baby bring it all to me (Bring it all)
But I don't need no fancy cars or diamond rings (Baby I
don't need, Noo)
Oh Baby bring it all to me (Bring it all)
Give me your time, your love, your space, your energy.
(ohhh)

JC:

Baby, What's the deal?
Would it be too forward if I told you how I feel
That's just the way I do my thang
I'm so for real
Are u feeling my timb's, my baggy jeans, my thug
appeal
Do you like it when a man can keep it real, Ohhhh

Chorus:

Oh Baby bring it all to me (Bring it all, Bring it all)
But I don't need no fancy cars or diamond rings
(Diamond rings)
Oh Baby bring it all to me (Ohhh oh Ohh ohhhh)
Give me your time, your love, your space, your energy.
(Ohh baby)

Shamari:

Ohhh, I'll put my pride to the side
Just to tell you how good, you make me feel inside

JC:

There's not a single question that we can't make this
right

Cause it's you I need everyday and night (Ohh baby)

Chorus:

Oh Baby bring it all to me (Bring it all, Bring it all)

But I don't need no fancy cars or diamond rings (No I
don't)

Oh Baby bring it all to me (Bring it All)

(Ohhh ohhhh) Give me your time, your love, your
space, your energy. (Ohh ohhhh)

Chorus Until End...
