Performed by Run DMC)

We had, a whole lot of superstars, on this stage here  
tonight

But I want yall to know one thing-this is....My House

and when I say who's house, yall know what time it is.

Who's house?

Runs house!

ah, once again my friend

not a trend for then

they said, rap was crap

but never had this band

till the ruler came

with a cooler name

make ya dance and prance and drove the fans insane

name is Run my son

number one for fun

not a gun that's done and get done by none

the others act in fact ya just wack I kill

why? its fun my son and Run heads the bill

Who's house? (Say What?) Run's house!

Who's house? (Say What?) Run's house!

I'm in the house y'all

I'm in the house y'all

and this is how DMC turn it out yall

I'm in the house y'all

I'm in the house y'all

and this is what DMC be about y'all

well my name is dmc, the all-time great

I bust the most rhymes in New York state

reporters cry, producers die

they want to be down with the king!

the wanted man from the wanted clan

wanted by every fan from across the land

not a g-a-n-g off the street

r-u-n-d-m-c complete!

Who's house? (Say What?) Run's house!

Who's house? (Say What?) Run's house!

Run, Run, Run, Run

get on the mic and (MC)

another time I take for the rhyme I make

make me mad and sad because the fad is fake

see I do this thing so come persue this king

one minor rhyme is all you can spring

cause I'm the best I'm def, ask the rest they left

thats my name my game and we don't need the rep

you get the booze you lose, you suckas close your  
mouth

I set a trap for rap that's crap  
it's Run's house!  
Who's house? (Say What?) Run's house!  
Who's house? (Say What?) Run's house!  
some underestimate and miscalculate  
my intent to create what I call the great  
till I make a song that I prove 'em wrong  
see my song so strong it'll make 'em come along  
come in the door, get on the floor  
hard rock hard hitting hip-hop hardcore  
causing casualties and catastrophes  
and tragedies for the sucker emcees  
use your strategies to get the best of me  
you dirty rat MCs, whoever you may be  
you need to go down south, you need to shut your  
mouth  
it's all about no doubt just shout cause we talkin' 'bout...  
Who's house? Run's house!  
Who's house? Run's house
