I'm screaming at the top of my lungs

So painful, so young

Why cant you hear my voice

I'm screaming for you

Screaming for you

And this bucket of sorrow i hold on to

Cause its its the its the only thing that keeps me close
to you

wondering should i ever let you go

But I'll never let go

I'll never let you go...

Guess I cant get my point to you

Your my life

What am I to you?

You left me feeling of a bladeless knife

So I stay here drowning in sorrow and dispise

I wait for the day when you stop these tears that are
burning my eyes

And this bucket of sorrow i hold on to

Cause its its the its the only thing that keeps me close
to u

wondering should i ever let you go

I'll never let go

I'll never let you go!...

I lay here in this puddle of sorrow waiting till the day
you come back.....
