Ah here's a dance you should know

Ah baby when the lights are down low

I say grab your baby then go

If you don't know how to do it man you're out of luck

Push ya baby out then you hunch her back

Start a little movement in your sacrolliac

Wiggle like a stick wobble like a duck

That's what you do when you do the Hucklebuck

Oh - Workout

Ah here's a dance you should know

Ah baby when the lights are down low

Ah won't ya grab ya baby then go

A little bit of Twist a little bit of this

And if you don't know how to do it ask my little sis

Push your partner out then you hunch her back

Start a little movement in your sacrolliac

Wiggle like a stick wobble like a duck

That's what you do when you do the Hucklebuck

Oh - Move

A little bit of Twist a little bit of this

And if you don't know how to do it ask my little sis

Push your partner out then you hunch her back

Start a little movement in your sacroiliac

Wiggle like a stick wobble like a duck

That's what you do when you do the Hucklebuck

(Fadeout)

Here's a dance you should know

ya ya ya ya when when the lights are down
