This way sucks  
Why's it have to be?  
You've got double d  
Or at least a C  
You're like Medusa  
One look turns me to stone  
Now you're gone and I'm here all alone

and I'm hung up  
Hung up again  
This really sucks  
You fucked up my weekend  
Now I wonder  
What's in store  
Will I be with you or some little whore  
You always said you'd be there til the end  
Now you're not you're off with your boyfriend

and I'm hung up  
Hung up again  
This really sucks  
You fucked up my weekend
