\*spoken\* "37! My girlfriend sucked 37 dicks!" "in a row?!"

My ex-girlfriend was a slut  
She couldn't keep her fuckin legs shut  
She would always give the eye  
To every single guy that walked by

So i got sick of her shit  
And I could see she was playin me  
So I said, "Go the fuck away!"  
What am I supposed to say?

She was a slut!  
What a fuckin slut  
A slut...

What a fucking slut

My ex-girlfriend was a ho  
She cheated on me but I let it go  
But after three or four times  
I decided it was time to draw the line

So i got sick of her shit  
And I could see she was playin me  
So I said, "Go the fuck away!"  
What am I supposed to say?

She was a slut!  
What a fuckin slut  
A slut...  
What a fucking slut
