step you take

Baby whatcha' waiting for

Let the tango take control

Feel the music inside your soul (Oh)

My hand is out, just grab a hold

Watch time fade away

My arms will keep you safe

It's just you and me

Dancing in this dream

Whatever you do, don't wake me up

The feeling's real won't let it

stop, no

CHORUS

Don't be afraid, take my hand

Forget the world

Will you dance, dance with me

Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Podemos bailar eternamente

Now I have you next to me
Everything is how it should be (ooh yeah)
Baby, don't fight the feeling
We're floating on the clouds
If I could, I'd never come back down (no no)
Baby just keep on groovin' groovin'
As time fades away
My arms will keep you safe
It's just you and me
Dancing in this dream
WHatever you do, don't wake me up
The feeling's real, won't let it
stop, no

CHORUS

Don't be afraid, take my hand
Forget the world
Will you dance, dance with me
Podemos bailar eternamente
Trust in me, take a chance
Feel the Tango
When you dance, dance with me
Podemos bailar eternamente
Dance with me
(I'm dancing with you)
For this moment in time

(My dreams have come true)

My darling just dance with me

If only one night

CHORUS

Don't be afraid, take my hand

Forget the world

Will you dance, dance with me

Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Podemos bailar eternamente
