Life...swerves and turns

The...next second of the day

You...know who you are

The last ya don't

Cry... it leads to happiness

And...sadness to happy

The...world is now all crazy and weird so listen here

Chorus: Sometimes your up

Sometimes your down

In the middle and in between is how were found

Life doesn't always go your way

So listen here to what I have say

Sometimes your up

Sometimes your down

In the middle adn in between is how were found

Cuz if you try to

Be somebody else

the world will go oo'o tumblin' down

We are who we are and we've done the best that we
can

So even if its different

We do the best we can

And that's what we do

Cuz if you look into my eyes

You'll see somethign different each time

Chorus

Chorus

Life is life

So let the river of life flow forever
