(Sleep, my little girl

Keep your eyes closed

On the wings of sweet dream

Fly undisturbed

On your daddy's strong hand.

Your pillow is asleep

Soon the lamp will sleep

Fly, my little girl

On the blue sky of dream

On your daddy's strong hand.)

[FLORENCE]

Father?

[GREGOR]

Apuka'd.

[FLORENCE]

Apuka'd.

That means "Father, doesn't it?

I remember that.

[GREGOR]

Florence.

Jatekaid arvan

Varnak szerteszét

Egyetlen bogarkam

(Your little toys

Are asleep around you

Sleep my little angel)

[GREGOR & FLORENCE]

Aludj konyeden

apukad eros kezen.

Sleep gently lulled

On your daddy's strong hand.
