Those whose love is as strong as it could or should be.

[ANATOLY]

Nothing has altered --

[FLORENCE]

-- Yet everything's changed.

[ANATOLY]

No one stands still --

[BOTH]

Still I love you completely and hope I always will.

[ANATOLY]

Why do we need to put love into words?

Causing confusion

We protest, explain

Reassure, in vain

Come to no conclusion.

[FLORENCE]

I'd give the world to stay just as we are

It's better by far

Not to be too wise

Not to realize

[BOTH]

Where there's truth there will be lies.

[FLORENCE]

You and I --

[BOTH]

We've seen it all

Chasing our hearts' desire

But we go on believing

Nothing can harm us

This is forever.

[SVETLANA]

You knew better than me

Where your ambitions would take us

I knew sooner than you

That those ambitions would break us

You would not believe me

Why should you believe me?

I held you back

You and your dreams.

Who needs a dream?

Who needs ambition?

Who'd be the fool

In my position?

Year after year

I'm still denying

Anything's changed

Anything's dying.

But then --

[SVETLANA: & ANATOLY]

You and I

We've seen it all

Been down this road before.

[SVETLANA]

But I still go on pretending

Stories like ours

Have happy endings.
