I'm on my own
Waiting for you in the dark
Feel so alone
Wanna hold you in my arms

Oh I don't wanna know
Where do you go
I need to feel that we're in love again
Nothing is real
How does it feel if it's over, it's over, it's over

Ti amo ti amo
Ti amo ti amo
Wanna love you, be with you
Ti amo ti amo

Ti amo ti amo
Ti amo ti amo
Wanna love you, feel it too
Ti amo ti amo

Show me the way
I follow you into the night
Kiss me awake
Take me to the other side
Oh I don't wanna know
Where do you go
I need to feel that we're in love again
Nothing is real
How does it feel if it's over, it's over, it's over

Ti amo ti amo
Ti amo ti amo
Wanna love you, feel it too
Ti amo ti amo

Don't say it's over and over, over and over
Over, don't break my heart
You take me higher and higher, a burnin' desire
Feel my love

Mi amore mio ti amo
Mi amore mio ti amo
Mi amore mi
Mi amore mi
Mi amore mio ti amo

Ti amo ti amo
Ti amo ti amo
Wanna love you, be with you
Ti amo ti amo

Ti amo ti amo
Ti amo ti amo
Wanna love you, feel it too
Ti amo ti amo
