I don't love the fool
I don't love that fool
He says I'm the one
But I say "step back, hon"
Don't love the damn fool
Light as a pixie
They say a first love is
Free as a sugarfloss fairy
Like going to sleep at 7:30 at night
And waking up at 11 in the morning
But it ain't
No it ain't.....
It's like watching a million-dollar budget movie
With your 'dream lover' as the co-star
And he wants a blonde damsel in distress, not you
And you know in your heart you're oh so much better
I don't love the fool
I don't love that fool
I'm a shy sweetie pop
With a pink microskirt
I don't like snakes
And I hate disaster movies
Cause they make me cry
Like you did
But I'm still your 'girl next door'
Cause I don't love the fool
I don't love that fool
Power supply
Feet in the air
A cosmic strawberry smoothie atmosphere
Intergalactic buzzwires
Don't mean nothing
Cause I'm a blackberry lollipop
On fire
On fire
Desire
On highwires
Don't love the fool....
Don't love that fool
Ooh la la, what a fool
What a damn fool.....
