Chi-Lites, The - Oh Girl
=====

Oh, girl

Id be in trouble if you left me now

Cause I dont know where to look for love

I just dont know how

Oh, girl

How I depend on you

To give me love when I need it

Right on time you would always be

All my friends call me a fool

They say, Let the woman take care of you?

So I try to be hip and think like the crowd

But even the crowd cant help me now,
oh...oh...oh...oh...oh...

Oh, girl

Tell me what am I gonna do

I know Ive got a guilty face

Girl, I feel so out of place, oh, yeah...yeah...

Dont know where to go, who to see, yeah

Oh, girl

I guess I better go

I can save myself a lot of useless tears

Girl, Ive gotta get away from here

Oh, girl

Pain will double if you leave me now

Cause I dont know where to look for love

And I dont, I dont know how

Oh, yeah

Mmm...hmm...

Oh, girl

Why do I love you so, yeah

Mmm...

Better be on my way, I cant stay Have you ever seen
such a helpless man Oh...oh...no...
