On that you can depend and never worry.

(You see, my love is alive It's like a seed that only
needs the thought of you to grow.

So if you feel the need for company, please, my
darling, let it be me.

I may not be able to express the depth of the love I feel
for you,

but a writer put it very nicely when he was away from
the one he loved.

He said down and wrote these words:)

No wind, (No wind) no rain, (no rain)

Nor winter's cold

Can stop me, babe (oh, babe) baby (baby)

If you're my goal

No wind, no rain,

Can stop me, babe

If you wanna go

I know, I know you must follow the sun

Wherever it leads

But remember

If you should fall short of your desires

Remember life holds for you one guarantee

You'll always have me

And if you should miss my love
One of these old days
If you should ever miss the arms
That used to hold you so close, or the lips
That used to touch you so tenderly
Just remember what I told you
The day I set you free
Ain't no mountain high enough
Ain't no valley low enough (Say it again)
Ain't no river wild enough
To keep me from you
Ain't no mountain high enough
Ain't no valley low enough (Say it again)
Ain't no river wild enough
To keep me from you
Ain't no mountain high enough
Nothing can keep me
To keep me from you
Ain't no mountain high enough
Ain't no valley low enough (One more time)
Ain't no river wild enough (Say it again)
To keep me from you
Ain't no mountain high enough
Nothing can keep me
To keep me from you
