[RIDER BONE of CENTER PARK]

Well, now is known: I shot a fool in the dome with the quickness

Let his ass dead only God with my witness

The silent type killa in the hood, that's fine

10 of the scene with the hot Tec-9, murder

On my mind and it just don't quit

Roll into your hood doing a gang of gangsta shit

Suckas come up missing and they never be found

Only time to ?? when the Bone's around

Round for round, clown for clown, I don't slip

I roll up on the fools then I empty the clip

Cause I'm a G like that, I got to be like that

Killin' spree like that now from my brother Lil' Rat

Rider Bone is back

With the rat-tat-tat

Duck on boy

Cause I'm aimin' for your blue hat

Sucker-ass niggas out there don't know

I spit some' and I'm poppin' go on two car doors

So you can but you can't hide fool it's do or die

Rider Bone on the mission doin' a fuckin' walk by

So if you slip you trip, you can ?sink? like a ship

Rider Bone comin' at you

From the silent killa G up

It's the silent gangsta tip

So 'ware that trip gettin' banked in the lip

It's Center Park with the triggers

Ricket you step in the hood you a dead-ass nigga

[RIDER BONE of CENTER PARK]

For sure the Center Park's gonna ride with me

I'm Mr. C.K. Rider Bone killing silently

Havin' Crab niggas missing for days and days

Two only out for turnin' up

In a shallow grave

My couple of the mess to the Center

Straight acts some Crabs

Creepin' up on the fools

And I unleashin' the wrath

With my Glock 16 shots
With my 9 never stop
Pop pop another Ricket nigga's dropped on the spot
Rider Bone done dirt
Another Crab fool is history
Leavin' no trace
So his murders: a mistery
To the cops, to his family, to his hood
An unexplaining murder in the City of Inglewood
The Center's strong but maybe not that deep
But we got Imperial
To a 106th street
And Crenshaw to Prairie
?? that's large
But just a small portion when you throw up outta high
car
To be a silent killer takes up salvation
Before you lead off
Pick up the situation
Then you done, no survivors, no witnesses, no cop
Just a dead Ricket nigga in a rider
Shakin' the spot
Killin' Crabs on a under
More Ricket niggas dropped and now the cops to start
to wonder
Who's up to no good
But let to do they know it's all good in Inglewood

It's the silent gangsta tip
So Crab that trip gettin' banked in the lip
It's Center Park with the triggers
Ricket you step in this hood you a dead-ass nigga

[RIDER BONE of CENTER PARK]
I'm Mr. young G but to the B.G.'s up provider
I put 'em up on gang how to be a true rider
In a dirt we do it keep it ?? caps
And we rather be caught with it
Doin' without a strap
We know the Dogs is deep
But the Crabs is bigger
So it's up to the Dog
To be some silent type killa
Violently, silently, another Crab is smoked
Tryin' to bail thru to the Center
So when the Center ??
Just another homicide or C-K Ride
Whatever turn you go by
Crab fools just die
Without a trace even race from the face to the hood
Got caught by the Center Park Bloods in Inglewood

The Dogs in the hood give no respect
Rickets niggas come thru?
Rickets niggas gettin' wrecked, around the set
The Rider Bone runs in rage
A maniac in hood with a 12 Gauge
So if you slip into the hood then you might be a hot one
Your last side was Rider Bone and a shotgun
Another strikes for the homies claimin' C.P.
The Inglewood Blood Gang killin' silently
So is known about the Dog's on the under
Ain't got no time for no blue ?? and blunders
And to the world C-K will never cease
And may a Crab-ass niggas rest in peace

Yeah
It's the silent gangsta tip
So 'ware that trip gettin' banked in the lip
It's Center Park with the triggers
Ricket you step to this, gets a dead-ass nigga
