I said I wanna touch the earth

I wanna break it in my hands

I wanna grow something wild and unruly

I wanna sleep on the hard ground

In the comfort of your arms

On a pillow of bluebonnets

In a blanket made of stars

Oh it sounds so good to me

Cowboy take me away

Fly this girl as high as you can

Into the wild blue

Set me free oh I pray

Closer to heaven above and

Closer to you closer to you

I wanna walk and not run

I wanna skip and not fall

I wanna look at the horizon

And not see a building standing tall

I wanna be the only one

For miles and miles

Except for maybe you

And your simple smile
Oh it sounds good to me
Yeah it sounds so good to me
Cowboy take me away
Fly this girl as high as you can
Into the wild blue
Set me free oh I pray
Closer to heaven above and
Closer to you closer to you
I said I wanna touch the earth
I wanna break it in my hands
I wanna grow something wild and unruly
Oh it sounds so good to me
Cowboy take me away
Fly this girl as high as you can
Into the wild blue
Set me free oh I pray
Closer to heaven above and
Closer to you closer to you
Closer to you
Cowboy take me away
Closer to you
