Hole in my head

hole in my head

I need a boy like you like a hole in my head

I need a boy like you like a hole in my head

Let's just say we will and then don't instead

Wild goose chase

Wild goose chase

You're gonna take me boy on a wild goose chase

You're gonna take me boy on a wild goose chase

You better find somebody to take my place

You took my imagination and stomped it in the ground

Now I can only think about you

chasin' the tracks that you left around

Hole in my head

hole in my head

Oh I need a boy like you like a hole in my head

I need a boy like you like a hole in my head

You make me feel so bad that I wish I was dead

Let the games begin

Yeah here I go again

I'm never gonna win

It must have knocked me crazy

it must have hit me hard

People must think I'm lazy

Like my shuffle's short

of playing a card

Wild goose chase

Wild goose chase

Oh I need a boy like you

like a wild goose chase

I need a boy like you

like a wild goose chase

You better find somebody to take my place

Let the games begin

Yeah here I go again

I need a boy like you (I need a boy like you)

I need a boy like you (I need a boy like you)

I need a boy like you

Like a hole in my head

Hole in my head

Hole in my head

Hole in my head

Hole in my head

Like a hole in my head

I need a boy like you (I need a boy like you)

I need a boy like you (I need a boy like you)
