"Loving Arms"

Visit "[Loving Arms](#)" on MotoLyrics.com

If you could see me now

The one who said that she'd rather roam

The one who said she'd rather be alone

If you could only see me now

If I could hold you now

Just for a moment If I could really make you mine

Just for a while turn back the hands of time

If I could only hold you now

Chorus:

Cause' I've been too long in the wind

Too long in the rain

Taking any comfort that I can

Looking back I'm longing for the freedom of my chance

Of lying in your loving arms again

If you could hear me now

Singing somewhere through the lonely nights

Dreaming of the arms that held me tight

If you could only hear me now

(Chorus 2X)

I could almost feel your loving arms again
