"More Love"

Im so close to you baby

But Im so far away

Theres a silence between us

And theres so much to say

Youre my strength, youre my weakness

Youre my faith youre my doubt

We gotta meet in the middle

To work this thing out

Chorus:

More love, I can hear our hearts cryin'

More love, I know thats all we need

More love, to flow in between us

To take us and hold us and lift us above

If theres ever an answer

Its more love

We're afraid to be idle

So we fill up the days

We run on the treadmill

Keep slavin' away 'til theres no time for talkin'

About trouble in mind

And the doors are all closed

Between your heart and mine

Chorus

Just look out around us

People fightin' their wars

They think they'll be happy

When they've settled their scores

Lets lay down our weapons

That hold us apart

Be still for just a minute

Try to open our hearts

Chorus
