Well he told me that he was tired of being good  
And he told me that she don't treat him like she should  
Well he told me when he'd be alone he told me how  
long she'd be gone  
I'm only human  
He shouldn't-a told me that

Well she told me that her man was really fine  
Makes her sorry that she doesn't have more time  
Well she laughed and told me how she gets a little bit  
just now and then  
I'm only human  
She shouldn't-a told me that

My doctor tells me I should get more exercise  
My friends tell me to be alone is so unwise  
I'm being good but I don't know for how long  
Temptation is comin' on strong

Well I told you that I saw him yesterday  
Very sexy, more than that I cannot say  
And just before I said goodbye I told him with a little  
sigh  
I'm only human  
I shouldn't-a told him that

My doctor tells me I should get more exercise  
My friends tell me to be alone is so unwise  
I'm being good but I don't know for how long  
Temptation is comin' on strong

Well I told you that I saw him yesterday  
Very sexy, more than that I cannot say  
And just before I said goodbye I told him with a little  
sigh  
I'm only human  
I shouldn't-a told him that
