Visit "[How Are You?](#)" on [MotoLyrics.com](http://MotoLyrics.com)

How are you today  
I think i'll be okay  
I think i'll be okay  
I think i'll be alone all day  
But maybe that's okay  
Yeah maybe that's okay  
Cause you're not calling me

You know i'd do anything for you  
It's not my fault  
But you look so bored  
I feel like you don't care at all

Time ticks away  
There's something wrong with me  
There's something wrong with me  
I wrote a poem for you about greed  
About the way i bleed  
About the stains we leave  
I hope you like it

You know i'd do anything for you  
It's not my fault  
But you look so bored  
I feel like you don't care at all

I know it's not your fault

I know it's not your fault  
I know it's not your fault  
I know it's not you

How are you today  
I think i'll be okay  
I think i'll be okay  
I think i'll be alone all day  
But maybe that's okay  
Yeah maybe that's okay  
Cause you're not calling me

You know i'd do anything for you  
It's not my fault

But you look so bored  
I feel like you don't care at all

These days i'm almost over you  
It's not my fault  
But you look so bored  
I feel it too  
So it's not your fault

I know it's not your fault  
I know it's not your fault  
No it's not your fault  
I know it's not you
