I'll never  
I'll never  
Never gonna give up  
I'll never  
Ah Ah  
Never gonna give up  
I'll never  
Ah Ah

Never gonna give up on love  
(I'll never)  
Never gonna give up on you  
Never gonna give up on us  
(I'll never)  
After all we've been through  
Never gonna give up my heart  
(I'll never)  
To no one but you  
Never gonna give up on love  
Never gonna give up on you, yeah

Here we are going through changes  
Living life like we're strangers  
Never knew love would end this way  
(All I really wanted to say)

Pre-Chorus  
Time and time again it's true  
Girl I want to be with you  
Every night and every day, yeah

Chorus  
Never gonna give up on love  
(I'll never)  
Never gonna give up on you  
Never gonna give up on us  
(I'll never)  
After all we've been through  
Never gonna give up my heart  
(I'll never)  
To no one but you

Never gonna give up on love  
Never gonna give up on you, yeah

Girl with love nothing's plain to see  
Still I gave  
All the best of me  
(All the best of me)  
Never knew love would end this way  
(All I really wanted to say)

Time and time again I find  
(Time and time again I find)  
Girl I've got you on my mind  
(Girl I've got you on my mind)  
Everything about it is true, yeah  
(Everything about it is true, yeah)

Chorus

Baby I know  
(Baby I know)  
(Baby I know)  
That it's been hard for us  
(Hard for us)  
To make love last this time  
(Make love last this time)  
But I feel  
That one more chance  
(One more chance)  
Is all I ask fro
