[Chief Chinchilla] I'd rather give you my big butt bitch
Than give you my Bigg Buzz Beer So if you got a big
bottle of Bigg Buzz Beer Bitch, better bring it here
Where's my beer? I've been waitin all day Brothers
sellin bottled water on the freeway 92 degrees in the
shade and I gotta quench my thirst Chinchillas don't
drink Gatorade So I pulled off the Van Wyck, stepped
into the sto' See the Bigg Buzz Beer, cold fo'-oh Pour a
little on the curb for beer that sucks DJ Bazarro, tell 'em
what the fuck's up [DJ Crazy Bazarro] Man baby got my
buzz goin, she aight But it's time for me to guzzle man,
I hold tight Liquor got me lifted, my brain be shifted
And gettin back to 'Chilla gotta give me a minute See
we do it like the old days, like the O'Jays Sippin all day
'til I'm mugged in the face She stay nice and cold,
make me act real bold Dis shit got me laid out on the
living room flo' fool ("WHASSUP NIGGA?") Bigg Buzz
("Punk-ass nigga~!") Bigg Buzz
