One more chance at freedom
One more week of joy
Another chance to fuck up
Another dick to be annoyed

As summer comes to an end
I have to wonder why
You said all of those things
Didn't mean to make you cry

I'm sorry ??Â"
But now I can't look back
And I'm sorry ??Â"
But now we're off the track
And this time there's nothing left to say
And this time everything wont be ok
You said you'd rather the world would end
Well I guess I'll see you then

You take everything
Way too seriously
Life is just a joke
That isn't funny

And now time has gone
And now so have you
But I'll enjoy my time
That I'm away from you

I'm sorry ??Â"
But now I can't look back
And I'm sorry ??Â"
But now we're off the track
And this time there's nothing left to say
And this time everything wont be ok
You said you'd rather the world would end
Well I guess I'll see you then

Time goes way to fast
We let it slip away
So I say just let go
And live for today

And now it all repeats
School starts once again
Summer fun is over
And I guess I've lost a friend

I'm sorry ??Â“
But now I can't look back
And I'm sorry ??Â“
But now we're off the track
And this time there's nothing left to say
And this time everything won't be ok
You said you'd rather the world would end
Well I guess I'll see you then
