Hep hep hep-hep GO!

She likes it when I piss on her
Cause she's a uriphiliac
It makes her nipples really hard
It makes her twat wet
And she drips on the floor
And then we piss some more
And then she gets really horny
And she she she she she likes it when I piss in her
mouth

And she she she she she gets really turned on
And she smells like my cat
And she's a uriphiliac
And she smells like my cat
And she's a uriphiliac
And she she smells like my cat
And she she smells like piss
