Remember the first day when i saw your face
remember the first day when you smiled at me
you stepped to me and then you said to me i was the
woman you dreamed about
remember the first day when you called my house
remember the first day when you took me out
we had butterflies although we tried to hide, and we
both had a beautiful night

the way we held each others hands the way we talked
the way we laughed
it felt so good to find true love
i knew right then and there you were the one.

Chorus:

I know that he loves me cause he told me so
i know that he loves me cause his feelings show
when he stares at me you see he cares for me
you see how he is so deep in love
i know that he loves me cause its obvious
i know that he loves me cause its me he trusts
and he's missing me if he's not kissin me
when he looks at me his brown eyes tell it so

Remember the first day, the first day we kissed
remember the first day we had an argument
we apologized then we compromised and we havent
argued since
