1 - [Destiny's Child]

You make me wanna throw my pager out the window

Tell MCI to cut the phone poles

Break my lease so I can move

'Cause you a bug a boo, a bug a boo

I wanna put your number on the call block

Have AOL make my e-mails stop

'Cause you a bug a boo

You're buggin' what? You're buggin' who? You're  
buggin me

And don't you see it ain't cool

2 - [Wyclef]

Come on, come on, come on

Yo who's bugging who?

Destiny is coming through

Wyclef, Jerry Wonder 'bout to hit y'all with the new  
groove

[Destiny's Child]

Who's bugging who?

Destiny is coming through

La Tavia, Le Toya, BeyoncÃ©, Kelly acting a fool

[Beyoncé]

It's not hot that you be callin' me  
Stressing me, paging my beeper  
You're just non-stop  
And it's not hot  
That you be leaving me messages every 10 minutes  
And then you stop by  
When I first met you, you were cool  
But it was game you had me fooled  
'Cause 20 minutes after I gave you my number  
You already had my mailbox full

[Beyoncé]

So what, you're talking 'bout your "feeling you's"  
Never told you to buy me shoes  
Now you're rolling with an attitude  
Plus the word on the streets is you're a bug a boo

Repeat 1

Repeat 2

[Beyoncé]

It's not hot that when I'm blocking your phone number  
You call me from over your best friend's house  
And it's not hot that I can't even go out with my  
girlfriends  
Without you tracking me down  
You need to chill out with that mess  
'Cause you can't keep having me stressed  
'Cause every time my phone rings it seems to be you  
And I'm praying that it is someone else

[Beyoncé]

So what?  
Ain't even like I knew you  
So what?  
Tell your peoples I ain't feeling you  
So what?  
Don't call me I'll call you  
Cause cupid ain't shoot till he shot you

Repeat 1

[Beyoncé] (Wyclef)

Yo Clef  
(What up? What up?)  
We ain't heard from you in a while  
So break it down for the cheering, Latin style

[Wyclef]

Destiny's Child remade numero uno  
You wanna hate me now like Nas  
Cause you dos, tres, cuatro  
Thugs still in the dance  
Ain't no need to bust you're A-K  
We all can get along  
Or we can do it Carlito's Way  
Cause even though I walk through the valley of the  
shadow of death  
I fear no evil, got the Lord present, standing Eagle  
Way before birth I had this whole book memorized  
I roll with murderers that just got baptized  
I be allowed to see through the eyes of Zion  
The New Jerusalem  
So sing the hook and stop buggin'

Repeat 1

[Wyclef]

Hey yo La Tavia's in the house  
Is BeyoncÃ© in the house?  
The said Le Toya's in the house  
Is Kelly in the house?  
It's the Refugee Camp
