"Get Over Yourself"

By: Eden's Crush

Written By: David Yarrowly and Anna Larson

Un-huh - yeah - yeah
I get over, I get over -

Listen -

Verse 1

Yeah I was right there like a little "wife",
I was everything that you need always in line.
I was living you, loving you - feeling your desires.
But that was then - this is now - look at me in the eye.

Oh Oh Oh Oh
If Love could choose sides
Oh Oh Oh Oh
It's taking mine - so.

Chorus:

Get over yourself, goodbye
It must be hard to be you - yeah - living in your life,
I was always the one to cry - now everything,
everything, everything is alright.

Get over yourself - know why,
because without you - you see I do, anything I like -
Sometimes I'll stay out all night
and everything, everything, everything is alright.

Verse 2

This cannot be it - I kept telling myself,
that every magazine said it was me that was on the
shelf
I was giving out, giving in, giving away my dreams -
right.
While you put it in, put me down - now I found myself -
esteem.

Oh Oh Oh Oh

You won't get me back
Oh Oh Oh Oh
You think I just overreact - oh well...

Chorus

Get over yourself - goodbye
It must be hard to be you - yeah - living in your life,
I was always the one to cry,
now everything, everything, everything is alright.
Over yourself know why,
because without you, you see I do - anything I like
I will stay up all night - now everything, everything,
everything is alright.

Verse 3

Now you wanna talk,
you say let's do it just once more for luck,
like old times made up.

Better yet, Better get, Better get over yourself.

Stay in touch -when you learn a few things about love,
until your mind is made up.

Better yet, Better get, Better get over yourself.

Chorus

Get over yourself goodbye,
it must be hard to be you -yeah
living in your life, I was always the one to cry,
now everything, everything, everything is alright.

Get over yourself, Know why.
Because without you, you see I do - anything I like
Now everything, everything, everything is alright

Repeat Again.

End
