CHORUS)

Hey ladies !

Why is it that

men can go do us wrong?

Why is it that

we just decide to keep holdin on?

Why is it that

we never seem to just have the strength to leave?

Well he's got to go !

He got to go!(repeat)

(Verse 1)

My mans been cheatin on me

Been runnin round here with this little

Tenderoni

And don't think I haven't noticed

He's been actin funny

Taking to long to call me

And somebody told me

That the worst thing of it all

is that he gave he money

Now how he gonna give her my investments

NO NO

My first reactions tellin me

He's got to GO GO

but i just aint

FOR SHO

Should I just let him go

OOO i don't know

Yeah he did me wrong

but I love him so

I keep holding on

But he got to go

He got to go

Thought he was the one

But now i dont know

After what he's done

He's got to go

He got to go

(CHORUS 2x)

(Verse 2)

He keep rewinding it  
Stopping it and playing your self  
Over again  
See I'm sick and tired  
of you doin the same old sh\*t  
sick of your same routine  
Well you got to come clean  
Cause it's killing me

Yeah he did me wrong  
but I love him so  
I keep holding on  
But he got to go  
He got to go  
Thought he was the one  
But now i dont know  
After what he's done  
He's got to go  
He got to go

(CHORUS 2x)

(bridge)  
I just don't understand  
You get chance after chance  
and you say that you'll do right  
But I really do not know  
if you can  
it's not in your plans that you've shown  
can you change?  
don't think so  
now i got to let you go

OoOoOoOOooOOoommmm

Got to go go go go gooooo  
Got to go go, go go goooooo

(CHORUS till end)
