If you're searchin for a destiny that's fine
There's another place another time
Touchin many hearts along the way
Hopin that i'll never have to say
Boy i love you but i gotta let you go

Everyday in my mind is confusion
Thoughts of you brings illusions
Trapped in a world only you get in
My mind's playin tricks on my again

Follow your emotions everywhere
If there's really magic in the air
Never let your feelings let you down
Open up your eyes and look around
Boy i love you but i gotta let you go

Everyday in my mind is confusion
Thoughts of you brings illusions
Trapped in a world only you get in
My mind's playin tricks on my again

Can it be a picture in my mind
Never sure exactly what i find
Only in my dreaan i turn you on
There for just a moment, then you're gone
Boy i love you but i gotta let you go

Everyday in my mind is confusion
Thoughts of you brings illusions
Trapped in a world only you get in
My mind's playin tricks on my again

I don't write love songs
Leave it up to luther vandross
How out troop'll live
You don't wanna know the cost
I pay to be the boss
It be straight from the source
Fortune 500 is how I like it
Hot side cornish style

Joyride blowin candles in the wind
Like princess di
Lookin at me
Mom tell me how you really like it
If we could fly high
I'd be your co-pilot

Hey you back to the girl
With all the razamatazz
Look at you talkin all that jazz
Boy i love you but i gotta let you go
I know you want me
But you play me like the lotto
Cruisin amusin so there won't be no friction
I gotta leave i can't be in this illusion

Everyday in my mind is confusion
Thoughts of you brings illusions
Trapped in a world only you get in
My mind's playin tricks on my again
