This is the remix  
Every project come on come on  
Destiny's Child hey  
[Destiny's Child]  
Boy I know you want me  
I can see it in your eyes  
But you keep on frontin'  
Won't you say what's on your mind  
Cuz each and every time I see you babe  
You give me signs  
But when I ask you what's the deal  
You hold it all inside  
If you wanna be with me  
Ya gotta keep it real  
Tell me what's going on  
Tell me how you feel  
Cuz boy I know you want me  
Just as much as I want you  
So come and get my love  
It's all here for you  
1 - You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
You'll be saying no, no, no, no, no

When it's really yeah, yeah, yeah, yeah, yeah  
If you keep acting this way  
You're gonna lose my love  
I ain't got no time to play  
You better hurry up  
Cuz every time I come around  
And cruise around your way  
I see ya on the corner  
But you don't know what to say  
When I walk up to you baby  
You seem so shy  
What's the problem baby  
Never had a girl like I  
I can see right through you  
And you know you wanna be mine  
So get your act together  
Cuz you're running out of time  
Repeat 1

Everytime I see you with your boys  
You pretend as if you don't want me  
When you get home you call me on the phone  
And tell me how much you care  
[Wyclef]  
Yo, close your eyes, shorty  
You're guaranteed to be hypnotized  
By the remix that Wyclef provides  
I don't care about your size  
Girl shake your thighs  
All I'm trying to do  
In the hood is stay alive  
Make a little money with Destiny's Child  
Thugs hear this song, they dance they go wild  
Like Texas, they movin' like  
No limit soldiers  
They went from a dream to the  
Young supremes, sing it girls  
Repeat 1 until fade
