This is for you Ms. Ann
Who is now with our heavenly father
Who made the real commandments.

A ma zing gra a a a ace
How sweet (How ow sweet sweet)
The sound (The sound)
Souououound
That saved (saaaaved)
Saved a wretch (a wretch)
Like meeee
I once was lo o ost (lo o ost)
Lo o o o ost (lo o o ost)
But now But now
I'm found
What you say girl?
But now I'm found
They still can't feel you
But now (ad-libs)
I'm found
Was blind,
But now
I seeeeeeeeeeee

Ooooooooooh, Ooooooooooh
(To the melody of Amazing Grace w/ ad-libs from
Beyonce)

Twas grace hath taught my heart to fear
And the grace my fears relieved(my fears relieved)
How precious did that grace appear(w/ad-libs)
The hour I first believed (w/ad-libs)
