you are my best friend
you been right here through thick and thin
you are my best friend
guidin me through places I've been
you are my best friend
through our situations
you've been my inspiration
my best friend
you're still here and I love you

I think you got angel wings hiding up under there
somewhere
michelle, mabelle
don't know where we would be if we never met you girl
I love u
I thank u
you're such a blessing
I'm so grateful
I truly believe the lord sent you to me and kelly
your smile and laughter always makes me happy
when I'm too serious and too intense
with a voice that beautiful you was heaven sent
my sister, my life couldn't be better
doing what I love with my best friends
and makin chedda
kelly, the most beautifulist girl in the world
you're my survivor and I admire you
you how no idea how special you are
humble, talented and blessed you are
sometimes I wish I could be more like you
sometimes they don't wanna give your credit to you
wouldn't be a destinys child if it wasn't for you
dc-3 forever, I'm thankin you

-Kelly

lord thank you for your vision that we see down here on
earth
thank you for your precious gifts, your sweet precious
gifts of love
through everything can no one come between us three

michelle, ain't it funny, God always knows what he's
doin'
and he showed me some of that when you came in to
me and bee's life and just let us know that we can
count on you
and actually say with a relaxed heart
together we are sisters
your smile has so much meaning, so much life
you are the perfect gift

what more could we ask for if we've got michelle?
your voice is like water, your voice is like rain
the world aint ready for you
I love you and I will always be here for you
beyonce, we've come so far together
and it feels so good to have travelled half the road of
life with and an angel
walking, learning and teaching you the whole time
God is so awesome and I thank him for answering my
prayers as a child
I never told you this but I prayed for a life long friend
as a child
and God just has his way of sending precious
treasures
and I found mine every day
our relationship gets stronger and I love you
for the loyal, unselfish, generous, gifted, wise and
beautiful person you are
no one, absolutely no one can take that away from us
you are the definiton of a true friend

-Michelle

bee and kelly, you two mean so much to me
only God knew that this union was meant to be
only God knew all the things we couldn't see
but if we pray together
we'll stay together

beyonce and kelly
you both have simplified, comin for my eyes, what love
is
love is patient, beyonce that's what you've been
love is kind, Miss Kelly, that's what you've shown
it does not envy, it does not boast
it is not proud, it is not rude, it is not self-seeking
it is not easily angered, it keeps no record of wrong
love does not collide evil but rejoices the true
it always protects, always trusts, always hopes, always
persaveres
