Oh oh oh oh  
Caramel complexion  
With the sexiest expression  
Curly hair and corn rolls  
Very nice physique ?? clothes  
He looked at me  
I looked at him  
He asked me what I was thinking  
Because he walked so beautiful  
I didn't know what to say to him

1 He was what I wanted  
Exactly what I needed  
He was what I fantasized  
He was what I dreamed  
And it would be so perfect  
If him and me would leave  
Why couldn't I just tell him my feelings?  
We were meant to be

2 - I spotted him walking in the doorway  
Of the restaurant of the other day  
When I met that perfect man  
I didn't speak when I had the chance  
I didn't know exactly what to say  
At the restaurant the other day  
When I met that perfect man  
I didn't speak when I had the chance

Sexy lips, platinum wrists  
Ten tips like he gets manicures  
I can't resist those eyes of his  
Staring at his lips and then his ears  
And his voice is hypnotizing  
And his hand was tantalizing  
I dismissed what I wished  
Without me realizing

Repeat 1

Repeat 2 (2x)

All you ladies listening if you ever have the chance  
To run into your definition of that perfect man  
Don't be blinded by how fine the man is  
And miss the chance that might be your last  
Make him understand that he's your perfect man

Na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na, na, na

Repeat 2
