I wanna know
If I could get to know you
So many things baby
I can't wait to show you
I don't know
If you feel the same as I do
Give me a sign baby
Show me what to do

Can I be all you need
Can I be your everything
Baby the time is now
If you just show me how

Chorus: Show me the way to love you
Every night and every day
I'm thinkin' of you
All I need is just a chance
To love you
Show me the way baby
Show me the way the way

What would it take
For us to get together
I wanna know
Would you stay with me forever
Give me the chance
I know I can make you love me
Just say the word baby
Let me make you see

Can I be all you need
Can I be your everything
Baby the time is now
If you just show me how

Chorus

Show me the way
What would it take
For me to love you

Every night every day
I want you to know
I'm thinkin' of you

Chorus
